

## **Supplies Needed for Haiti** **October 2011 Trip**

### **General Items:**

- Tooth brushes
- Tooth paste
- Powdered Pedialyte or generic electrolyte replacement
- Small toys, dolls, etc to giveaway to children (LOTS of small items are easier to pack in suitcases & can cover more kids – 'happy meal size' is ideal)
- Candy to giveaway to children (lg bags of smaller pieces)
- Multi-Vitamins (Children & Adult)
- Kids shoes (\*\*\*Due to wet/muddy environment – "Crocs" style shoes are best)

### **Medical Items: (We need LOTS of these medical supplies)**

- Anti-fungal medicine (Lotrimin or other otc athletes foot meds)
- Permethrin 5%
- Neosporin/polysporin
- Benadryl (tabs & children's liquid)
- Ibuprofen (adult and children's liquid)
- Acetaminophen (adult and children's liquid)
- Imodium
- 1 % hydrocortisone cream or other prescription steroid cream
- Antibiotics by prescription (Amoxicillin, Keflex, Bactrim, Ciprofloxacin, Augmentin, etc)
- Mebendazole by prescription
- PinX (otc pinworm medicine)
- Antibiotic eye drops – by prescription
- Visine and Visine allergy
- Albuterol inhaler by prescription
- Prednisone oral tablets and liquid – by prescription
- Electrolyte replacement solution – powder pedialyte or generic
- Glucometers & test strips
- Guaze
- Medical tape
- Blood pressure medicines by prescription
- Diabetes oral medication by prescription
- Permethrin 5%
- Otoscope

### **Money – fundraised: (Items bought in Haiti)**

- \$3000 – Construction supplies for school & church
- \$600 – local laborers to assist w/ construction
- \$2500 – food for feeding programs (local church & while we are there)
- \$1000 – to bless local church in their ministry
