Eagle Pointe – Playground Construction

Work to be done:

- We have a large new play set that needs to be installed & assembled on our back playground.
- We need to build & assemble a large swing set on another playground.
- This is a great way to serve the children of our church & preschool.

What you can bring if you have them:

- Any tools that you have which may be helpful in this type of work
- Get with project coordinator ahead of time to determine exact tools needed

Where to go:

- ***Meet at Eagle Pointe Church by 8:45AM sharp!*** We will have a group prayer time before starting.
